Shannon states, “My father and one of my greatest spiritual teachers always told me, there are many trees in the forest, talk with many trees”. Most of our RMA journey consists of direct learning and mentoring with me, your Reiki Master Teacher Shannon Chada. To me, being a Reiki Master humbly means, being a devote to my Reiki Practice – Therefore, I am always a Reiki Student too. At times we invite previous graduates of the RMA program to participate, as well as other Reiki Master Colleges to teach certain topics, share their expertise and offer support to your higher learning experience.

Reiki Master Apprenticeship Agreement 2019

Agreement:

I have read and understand the above written expectations of a Reiki Master Apprentice under Rev. Shannon Chada of Full Circle Harmony Ministry. I understand that the benefits I receive from choosing to participate in and at Full Circle Harmony are for spiritual education purposes. It is my own commitment to do self-reiki treatments, integrate the spiritual resources and support provided. I fully acknowledge that what I put in to this spiritual practice, apprenticeship and my Reiki Journey is what I will get out of it. I am responsible for my own sacred journey and I will listen with an open mind, follow the song in my own heart, be guided by spirit and my own intuition; to trust in my ability, to celebrate life's magical wonders, and to hold a passion for helping others. I will honor ALL my brothers and sisters of the Earth, Sky, Fire and Waters and of the Universe. I offer this loving kindness and compassion to all without discrimination. I am aware that everyone has the ability and is entitled to - maintain and improve their quality of life through spiritual, mental, emotional, physical, and social practices, if they so choose to do so. I am committed to learning with my Reiki Master and to my own Reiki journey. I intend to dedicate myself to complete Reiki Master Apprenticeship (RMA) within the 12 month time frame, to attend monthly meetings, integration courses, participate in projects, complete tasks and homework assignments, and communicate with my fellow RMA peers and within our Reiki community.

I agree to the contribution agreement:

You're contribution for participating in a one year Reiki Master Apprenticeship is \$160 per month, or \$1920 total. You will receive a written acknowledgement from the church for the full amount that you contributed for spiritual education purposes - may be a tax deduction. Once you complete the program, you will also receive a 300 hour Diploma as a Professional Reiki Apprentice Graduate from Full Circle Harmony Ministry Academy of Spiritual & Holistic Arts, along with your individual Certificates of Achievement based on the integration courses you attended and completed. Your graduation includes a professional reference and testimonial from RMT Shannon Chada upon request. Contact Shannon directly to discuss your interest in the Reiki Master Apprenticeship Program.

I agree to the cancellation and refund policy: *A great deal of time and expense is invested into the preparation and organization our sessions together. It is difficult and oftentimes impossible to recover costs and/or find a student to replace a cancelled registrant and so our cancellation and refund policies reflect this.*

- First month installment contribution is considered your agreed commitment to the program and is due before first scheduled meeting in January.
- Full refunds will be granted, minus a \$50 administrative fee, are given to registrants who request to cancel with at least 7 days notice AFTER the first meeting in January. Cancellations made after the 7 days from the first monthly meeting forfeit their refund in full and are expected to commit to the agreed contribution the entire year of the program either in full or in monthly installment payments.

If I am paying the tuition in monthly installments, I agree to have each contribution payment paid by the 5th of each month. Installment contributions are to be paid via credit card (Square online) a 3.5% transaction fee will be added to all installment payments). You will receive an email reminder on the 1st of each month, each contribution is to be settled no later than the 5th of each month. Square does offer automatic monthly payment options. Any payment not received by the 5th and if there is no agreed upon communication between us regarding your payment plan circumstance; an automatic non-refundable withdrawal on the 7th of the month will result for the balance due. Integration class contributions are to be settled before participation of each class. All committed contributions are to be settled before graduation and receipt of certificate(s).
